

I recently heard that you are considering giving priority to LPFM stations over regular FM stations. Please do not do this. I listen to KLOVE all day every day in the Modesto area and since KLOVE is a national station not headquartered in my station, I would potentially lose it! I would be very sad to see it lose priority to a LPFM station. I know hundreds (literally) of people who enjoy KLOVE and I see bumper-stickers all the time on cars in my area of people I don't even know who listen. This is a great radio station and the only one of it's kind in our area. The Christian community in the Modesto area really needs to have access to KLOVE!
